Forthcoming Events – March

Rohilkhand Ayurvedic Medical College & Hospital, Bareilly is organizing a series of academic, cultural, and health awareness programs during the month of March. These activities aim to promote health education, social responsibility, and active participation of students and faculty members.

2 March – Holi Celebration (Tentative)

The institution will celebrate the festival of Holi, promoting cultural harmony, joy, and togetherness among students, faculty, and staff.

8 March – International Women's Day

The college will observe International Women's Day through activities and discussions highlighting women's health, empowerment, and achievements.

12 March – World Kidney Day / World Glaucoma Day

Educational sessions and awareness activities will be organized to spread knowledge about kidney health, glaucoma prevention, and the importance of early diagnosis.

20 March – World Oral Health Day

An awareness campaign will be conducted to highlight the importance of oral hygiene, dental health, and preventive oral care practices.

24 March – World Tuberculosis Day

The institution will observe World Tuberculosis Day with programs focusing on tuberculosis awareness, prevention, early detection, and treatment.
